Re: EDA Distribution

Dear Mr. Bredemeier:

Pursuant to Public Act 097-0636, the Village of Hoffman Estates is requesting certification from Sears Holdings that 4,250 jobs were maintained at the Sears Holdings Corporation campus during the calendar year 2018. Further, if there is any timeframe during 2018 that the number of jobs maintained by the developer fell below 4,250, please advise of the timeframes in question. The Village is requesting that this certification be returned to the Village no later than December 1, 2018 so that the President and Board of Trustees can process the distribution of EDA funds.

Please do not hesitate to contact Corporation Counsel Arthur Janura or me if you have any questions regarding this letter.

Sincerely,

James H. Norris
Village Manager
